Q1. How do companies participate?

All employers who had registered with the DARP earlier will get an invitation email about the upcoming Virtual Career Fairs.

The company needs to fill up the google form and make an online payment once it decides to take part. For any inquiry, please call Mr. Lee Wan Poh at 03-90860288/ ext. 868 or email wplee@utar.edu.my

Q2. How many days?

One week, 24 hours a day as it is an Online Career Fairs

Q3. Estimated number of UTAR participants?

Around 25,000 (from both Kampar & Sungai Long Campuses)

Q4. When is the graduation?

January, May & October annually

Q5. How many times is it organised?

Once per year and usually is in October

Q6. What are the charges like?

RM100 per counter

Q7. How is it promoted?

DARP will blast emails to students, put up posters around campus and social media and make announcement through portal.

Q8. What type of companies will join for this career day?

Companies that usually join the career day are from engineering, manufacturing, accounting, banking and finance, education, real estate, financial planning, recruitment agency and etc. background.

9. Will the companies conduct an online interview for the participants?

Yes, but based on students' own initiatives.

10. How can students contact the company?

As it is an Online Career Fair, the company's logo will be placed at the Career Fair Portal as an e-Counter. Students can click the company's logo to look for a vacancy. If they are interested, they may send their resumes to the company.
